Business Contracts in English

17 & 18 September 2020

Content and Aim of the Workshop

This seminar is designed to assist the professional in understanding the basic principles behind the modern use of so-called 'boilerplate clauses' in international contracts. The seminar is structured in the form of a series of 'case studies' taken from the business world to allow a maximum of 'hands on' experience in using the language.

The seminar starts off with an analysis of the basic steps in contracts formation and discusses the individual types of boilerplates used. Participants will be provided with examples of 'model boilerplates'.

Target Group
