► Trainer

Monica Schofield,
CEng FIET,
Dr. Margarete
Remmert-Rieper

Monica Schofield currently heads the Business Area Consultancy and Competence Development at Tutech and is Director International Cooperation. She is responsible for leading a team providing services for researchers at Hamburg University of Technology and external clients to help them make optimal use of the opportunities provided by European funding programmes for research, innovation and regional development. Monica has been involved with the Framework Programme as coordinator, evaluator and expert advisor since 1992.

Margarete Remmert-Rieper joined Tutech in 2006 and has over twenty years' experience in offering trainings for different target groups including students. At Tutech she is responsible for the development and execution of training programmes for different target groups relating to topics of research and innovation management.

Content and Aim of the Workshop

ReMaT is an intensive, interactive workshop, providing an introduction to a number of key topics relating to research management including project management, grant acquisition, and science and technology related entrepreneurship. ReMaT is especially tailored to meet the needs of early-stage researchers especially from the 2nd year of PhD studies onwards, but is also suitable for others

involved in research, or in directing research. ReMaT delivers hands-on practical training in an intensive, yet effective workshop form over two days. There is a strong emphasis on European networking in the way the workshop is delivered: we encourage participation from many different countries and disciplines.

Organiser

The workshop is provided by Tutech Innovation GmbH, a company owned jointly by Hamburg University of Technology (TUHH) and the Free and Hanseatic City of Hamburg whose mission is to promote effective transfer and exploitation of scientific and technical knowledge.

Fees

Online Event € 500 (plus VAT) includes copy of materials.

Conditions for registration and participation in events

You may cancel your registration and withdraw from the contract on payment of a handling fee of € 50 (+ VAT) up to two weeks before the date of the event. Cancellations must be made in writing. In the case of later cancellations received up to a week before the date of the event, half of the participation fee will be charged; after this the full fee will be charged. An exception will be made if a substitute participant is sent.
